Mr. Chris Platz
Area Supervisor, Squamish
BC Parks,
Ministry of Environment
P.O. Box 220
Brackendale, BC
V0N 1H0

Dear Mr. Platz,

Re: Spearhead Huts Proposal

We the Spearhead Huts Committee are pleased to submit this proposal to develop a system of three mountain huts and connecting summer trails in the Spearhead and Fitzsimmons Ranges of Garibaldi Provincial Park. The proposed system is designed to meet two key objectives:

1. Provide high quality, low cost, year-round recreation opportunities in Garibaldi Provincial Park for BC residents and visitors.
2. Reduce adverse environmental impacts to Garibaldi Provincial Park caused by people recreating there.

This proposal consists of four separate documents:

1. The proposal main body.
2. Schematic Designs for each hut.
3. The draft Environmental Assessment.
4. The complete results from a public survey.

We look forward to working with you and your staff in refining this proposal to meet BC Parks requirements.

Best Regards,
THE SPEARHEAD HUTS COMMITTEE

Jayson Faulkner
Chair
Spearhead Huts Committee
